

HOT SPEED

Stripped to the essentials—then rebuilt as PPE with Health and Safety as top priorities—the HOT SPEED is all-inclusive and IA ready. Designed to meet the specific needs of Engine Companies, Helitack Crews, and Overhead, this sleek pack drops the hydration reservoir into the lumbar, maximizing ventilation while freeing valuable upper-back real estate for hosepacks, saw packs, and bladder bags.

KEY FEATURES:

- 1 Fully adjustable Fire Yoke telescopes to fit any torso length, includes sliplocks on shoulder pads for adding saw pad and MR Talk Box accessories
- 2 Zip-access to 250 cu-in storage pocket for headlamp, batteries, snacks, and other essential gear
- 3 Low-profile admin pocket for notebooks, maps, IAPs
- 4 MYSTERY RANCH Fire accessory lids-compatible
- 5 Sliplocks on shoulder pads for adding saw pad and MR Talk Box accessories
- 6 All body-facing components built with spacer mesh materials for moisture transfer and body heat dispersion
- 7 Storage sleeve keeps three fuses fully-stowed yet ultra-accessible for those rare moments of emergency and urgency
- 8 Fire Belt Light system features re-direct 2" webbing and PALS web for MOLLE accessories accessible
- 9 Fire Shelter can be set up for right- or left-handed deployment
